HOW IT WORKS (THE RULES !) ** Please read, there are changes **

- Materials you need: WIRE hangers, large safety pins (no small safety pins), 3x5 index cards (only 3x5 index cards will receive credit for sale), labels OR white or pastel cardstock (for barcode pricing and tagging), clear packing tape (for attaching cards to non-clothing items, but do not damage items.)
- All clothes on WIRE hangers (use safety pins for pants, skirts, belts, etc. & attach to top of the hanger.) The hanger should look like a question mark, as shown below. Do not use straight or clothes pins.
- Clothes MUST be washed & ironed. Good rule of thumb: bring only items that you would consider buying yourself. Snap all snaps & button all buttons. Shoppers are picky - price to sell !!
- Attach index cards to ALL baby items, shoes, toys & books. Use either clear packing tape or safety pins, as long as it does not damage the items. Ziploc bags or clear wrap work well for non-hanger items.
- Shoes should be tied together by shoelaces (not boxed.) Attach shoes & boots together with **curling ribbon**, the kind used for gifts that you can curl with sides of scissors. Then attach tag with large safety pin through shoelace eyes. For non-tie shoes, secure tag to shoes/boots with packing tape or curling ribbon.
- All items must be separated by boy/girl and by sizes to assist with sorting. Use twist-ties, garbage bags or curling ribbon to transport.
- All prices should be whole dollars only. No items under \$2.00 please. You may group multiple like items together.
- You MUST safety pin a 3x5 index card to RIGHT SHOULDER when looking at garment and include barcode, brief description, numerical size, price and your consignor number. Example below:

** 3x5 Index Cards are How You Get Credit For Sold Items **

YOU MUST USE INDEX CARDS & SAFETY PINS NO EXCEPTIONS!

- Your consignor # stays the same each sale.
- We reserve the right to reject any item.
- **Please bring all items at the same time.**

"Helpful hints" - frequently asked questions:

- Pricing: "Rule of Thumb" 1/4 to 1/3 of retail on most clothing items and UP to 1/2 of retail on large equipment items
- Spring & Summer items taken. Jeans & dress up items, swimwear, dance & gymnastic wear, school uniforms, and costumes always welcomed.
- All items must be in excellent condition. Only bring in your BEST! Due to the large number of total items brought into the Lollipop Shop and limited space, we do not accept "as is" items with holes, tears, excessive wear, piling or fuzzies, dirty or smelly items, out of date items, Men's or Women's clothing except maternity clothing. Any item that is not accepted may be returned to the consignor at the drop off time. It is the responsibility of the consignor to check for "as is" items prior to drop off. Rejected items are immediately donated to local charities and are not held for any period of time at the Lollipop Shop. NO EXCEPTIONS - check your items carefully!
- **Drop off all items at the same time** to get appointment time to shop early on Consignor Shop Day.
- Every item MUST have a 3X5 index card (white or pastel color) with your consignor number at the upper right top corner. Only 3X5 index card are accepted and only 3X5 index cards will receive credit for the sale. They must be safety pinned with a large safety pin (no small pins or clothes pins accepted). Index card should be attached to non-clothing items with clear packing tape as long as it does not damage the items. All clothing items should be only WIRE hangers only. Ziploc baggies may be used for multi-part items. Cover safety pin with packing tape to secure.

The Lollipop Shop has provided contributions to area charities, local pre-schools and schools, and our hospitals.
